This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Kendleton proposes to use revenue attributable to the tax rate increase for the purpose of maintaining the current infrastructure, revenue and level of service.

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Kendleton from the same properties in both the 2017 tax year and the 2018 tax year.
